

Dear NRA:

Thank you for soliciting my financial support. Your cause is noble but not mine. I already gave at the office as it were. The donation came at the end of a gun called US draft into the Vietnam and Cold Wars, which cost me many very good years of life that I am still paying for with my life and abandonment by US Dept of Veterans Affairs and Amerika for honorable service. America died and Amerika was born on January 21, 1977 with Socialist betrayal of all US military service people and veterans. Never have I seen so many honorable patriots wasted so badly. Why not, Amerika wastes everything else paid for with someone else's skin. I've nothing more to give. I sent you two dispatches one concerns the US veteran suicide epidemic that hypocritical *Amerikans* seem to ignore except for **showoff slacktivism and lip service** with trite tribute and celebration on Memorial and Veteran's day. Most *Amerikans* cannot tell the difference between them. Memorial day is for he dead and buried in national war cemeteries worldwide. Veterans Day is to honor we living dead that must suffer you hypocritical, plastic flag waving, willfully, ignorant, idiots. With all the helping agencies in US, especially US Dept of Veterans Affairs benefiting only them, why are veterans suiciding 100+ per day and literally dying from myriad, sundry, other reasons for lack of it? When seeking care from them and especially VA, & VSO's it is they holding out their hands wanting my help same as for what you now ask. Help us first then we will maybe, give you a token called care. If veterans were truly getting needed helped from Amerika and VA why do so many charities exist at all? Moreover if vet care were the issue, VA would not exist. **Keep in mind, the reason people still have the right to and can bear arms is not because of organizations like you. It is because of veterans of all uniforms who fought and died to hold criminal representative looters like Pelosi accountable to American's Constitutional right to do so.** Do not ask me for more; I have given my all during Vietnam and Cold War...eras into which I was marched literally at gunpoint by US conscription law – aka the draft. I am dying of service related diseases and such that VA denies with nothing more to give; so do not ask me for more. Moreover, expecting more out of veterans to support NRA or other is absurd and hypocritical of you. We should get honorary, lifetime benefit in fighting for what you only preach from rear echelon tax-exempt safety. Are not our sacrifices to this country enough for what we are denied in return for them by Amerika? Socialists, which are nothing but Communists dressed in drag, called the draft freedom, but it did not apply to everyone. VA and its owners are making vet suicide epidemic a gun control issue; it is not. **VA owns it in toto.** You folks better get off your complacent assets and pay attention; VA classifies a known gun owning vet into a mental case then uses that to disarm us. Before long, that precedent will apply to anyone with a mental rap, which is most of Amerika; even owning a gun can be categorized into mental illness per socialist subjective assessment. Odd, when protecting their sorry assets, this country and to stay alive, we were trained to possess and use weapons of all kinds. Our [*elected* – if you still believe in such fairy tales] representative, hypocrites like below only look out and save their sorry skins. Use what I have sent you to good purpose and **see what your org can do to really help we vets.** Lazy, phony, showoff slacktivism and lip service are the problems. Profiteers from our suffering are also the problem; that is you BTW. *Amerikans* have never been concerned about how their self-serving actions negatively affect others until those unintended consequences negatively affect them and theirs. This matter is no joke and only Amerika and VA can stoop so low into the cesspool profiteering from vet suffering and suicide. A betrayed US military veteran.

OH, SAY CAN YOU SEE HOW THE PHONY, PATRIOTIC, ELECTED LOOTERSHIP, COWARDS RUN & HIDE. NOTHING BUT PURE COWARD BEHIND PELOSI'S BIG MOUTH.

Guns for Her, but Not for You

JOHN VELLECO

Nancy Pelosi wants guns for her, but not for you.

On Feb. 14, the speaker of the House of Representatives helped launch a flotilla of gun control measures, claiming, "We will not rest until all Americans, in schools, in the workplace, in places of worship, and throughout our communities are safe."

That's strange, because last year, she knelt in Kente cloth in support of the hundreds of rioters running rampant throughout the country.

That is, until the Capitol riot—after which she made certain to get as many guns as she could to the U.S. Capitol, as long as they were protecting her.

At that point, U.S. Sen. Tom Cotton (R-Ark.) charged that Pelosi turned the Capitol complex into a "Green Zone" protected

by no-scale fencing, razor wire, and 26,000 soldiers." It was primarily at her request that the National Guard deployed five times more troops to Washington than serve in Iraq and Afghanistan combined.

The reason, Cotton believes, is that Pelosi was "egged on by excitable cable news pundits and Democratic partisans eager to portray President Donald Trump's 74 million voters as 'domestic terrorists.'"

According to Cotton, a member of the Senate Intelligence Committee, there existed "no specific, credible threat reporting—as distinguished from aspirational, uncoordinated bluster on the internet—that justifies this continued troop presence."

In fact, a member of the U.S. House Armed Services Committee asked Pelosi for a briefing as to "why do we need these troops here, and we have received zero information, zero."

U.S. Army officials have confirmed that at least 5,000 troops will remain in Wash-

ington until mid-March.

Eight-foot fences with concertina wire still surround the Capitol, although Pelosi claims such measures aimed to protect the country's border were "ineffective" and "immoral."

Regardless, with the Capitol converted to an armed bunker, Pelosi appeared at a press conference announcing The Gun Trafficking and Crime Prevention Act, The Gun Show Loophole Closing Act, The NICS Review Act, The Firearm Risk Protection Act, and The Handgun Trigger Safety Act.

Those bills include a prohibition on anyone in the country buying or selling a single gun without "appropriate" insurance—unless, of course, the purchase or sale of the firearm is by certain government entities, which just happen to include the National Guard guarding Pelosi.

The measures also include a blanket ban after five years on the manufacture of all handguns, or after 10 years on their sale,

unless they include a virtually nonexistent technology that "personalizes" the weapon—unless, of course, the purchase is by a government entity, which just happens to include the National Guard guarding Pelosi.

So, when rioters are running rampant through your neighborhood, Pelosi is for it. When you want to buy a gun to defend yourself, Pelosi is against it.

But when she needs men and women with guns to defend her—Pelosi is for it again.

Instead, how about this radical idea: Why don't we respect all Americans' rights to defend themselves, and arrest all those who riot?

In short: Guns for her, and for you.

John Velleco is the executive vice president for Gun Owners of America, a grassroots lobbying organization with more than 2 million members and supporters nationwide.

SLACKTIVISM IS FOR SELF-RIGHTEOUS, PHONY, LAZY PEOPLE. IT ONLY HARMS MORE.

Americans live in a fantasy about military and WAR! Their myopic, narrow idealisms are archaic to before the 19th century! The Neo-war age is now psychological and biological warfare. Of mind and microbe. Evidenced today by Covid; Americans move as blood spooked herds fearful of an invisible, undetectable danger lurking everywhere! A virus, against which they wear useless anti-microbial masks in self-defense, obsessed by sanitation, evading each other, and worse! If the Homo Sapiens race does not evolve out of the current anal-retentive, evolutionary stage of **We-Are-Right** and promptly, it will self-extinct the taxon back to 1 million BC for another try at re-evolving, again, taking all of its born and unborn children, grand and great grand kids with it. Want proof? The US 'Native American' and Nazi Germany 'Jewish' Holocausts and final solutions reset the clock on humanity 50,000 years into the past! **Aforewritten atrocities are clear evidence of what the human animal is capable of doing to its kind; Hiroshima and Nagasaki atomic bombing of civilian cities – innocent men, women and babies, clearly shows what is at stake for humanity: self-extinction in toto.**

The Girl Child

The Girl Child” ~ Nazim Hitmet

“I come and stand at every door
But none can hear my silent tread
I knock and yet remain unseen
For I am dead, for I am dead

I’m only seven though I died
In Hiroshima long ago
[My sister died in Nagasaki]
I’m seven now as I was then
When children die they do not grow

My hair was scorched by swirling flame
My eyes grew dim my eyes grew blind
Death came and turned my bones to dust
And that was scattered by the wind

I need no fruit I need no rice
I need no sweets nor even bread
I ask for nothing for myself
For I am dead, for I am dead

All I need is that for peace

You fight today you fight today
So that the children of this world
Can live and grow and laugh and play?
For I am dead, for I am dead –
Hell is for children.

Brought to you by VA
murdering veterans to
Make America Great Again
